At the top, there's a large text input field with the placeholder "Drag files here to add them to your repository" and a "choose your files" link below it. Below this is a "Commit changes" dialog box with fields for "Add files via upload" and "Add an optional extended description...". At the bottom of the dialog are "Commit changes" and "Cancel" buttons.</p>
7	<p>changes are committed.</p>	 <p>The screenshot shows a GitHub repository page for "svmssem3" owned by "yapxinyuenmoe". The page includes a navigation bar with "Code", "Issues", "Pull requests", "Actions", "Projects", "Wiki", "Security", "Insights", and "Settings". Below the navigation is a "main" branch summary with 1 branch and 0 tags. A list of commits is shown, all made by "yapxinyuenmoe" via upload, each 7 minutes ago. The commits include "Jellyfish.jpg", "firstlastname.html", "index.html", "splitic.html", and "tanganlator.html". To the right of the commits, there are sections for "About" (activity, stars, forks), "Releases" (no releases), "Packages" (no packages), and "Languages" (Python). A message at the bottom encourages adding a README.</p>
